Building Tomorrow... Today!

We are in an era where change is the only constant. Each day, we witness transformations all around us. Our ideas, thoughts, emotions, and even our core beliefs are evolving at a rapid pace. Society itself is in flux—our cultures, habits, and values are shifting, and the norms we once knew are giving way to new ones. From business to science, technology to education, change is not just happening, it's accelerating. Our simple societies are transitioning into complex, modern, information-driven ones. Amidst this profound shift, we are witnessing the Globalization of Education.

Every day, new schools emerge—ultramodern institutions that are redefining education with the latest trends, tools, and technologies. These schools represent a monumental shift from traditional learning to knowledge-based, information-driven education. The 21st century is the age of knowledge, where the pursuit of innovation and creativity is the driving force. Education today is not just about academics but also about instilling skills, fostering a growth mindset, cultivating work ethics, achieving success, and meeting global standards

At Gobind International Public School, we recognize that our students possess a unique capacity to embrace change—through imagination, innovation, & creativity. These qualities are what will propel them toward greater heights & unparalleled success in life. We understand that the purpose of education now goes beyond just imparting knowledge; it's about inspiring students to think critically, collaborate, & create the future they envision.

As we embark on this journey, we redefine the roles of parents, teachers, and students alike. We are at the threshold of a new era where education is dynamic, engaging, and centered on interaction, creativity, and exploration. At Gobind International Public School, we believe that today is the moment to shape tomorrow.

"Yesterday is a memory. Tomorrow is an opportunity. But today—today is the foundation we build upon. Let us begin, today, to create the future we dream of."

Dear Parents,

Education begins long before the classroom doors open—it starts with a mother's nurturing gaze, a father's encouraging nod, a sister's gentle touch, and a brother's kind gestures. It resonates in the hum of bees in the garden, in the tender care of nature, and is ultimately shaped by the specialized environment created by the school.

Home is the first school for every child, and parents are their first and most influential teachers. The home environment plays a critical role in shaping a child's personality, not just through words, but by influencing their thoughts, feelings, actions, attitudes, values, and behavior patterns. It is within the home that children learn the fundamental principles that will guide them through life.

At Gobind International Public School, we believe that the school acts as a specialized environment, where our educators serve as mentors and torchbearers, providing children with the guidance and support they need to grow and succeed. Our teaching methods are rooted in meticulous planning and modern techniques designed to help students reach their full potential. In an ideal world, home and school should complement each other, working hand-in-hand to shape the future of every child. The success of the school is deeply intertwined with the regular and active cooperation of parents.

Together, we can ensure that children receive the well-rounded education they deserve, one that nurtures both academic excellence and personal growth. In alignment with our school motto: "Learn, Work, Play, Think, and Live like a better human being," we provide our students with the tools to excel academically, engage in co-curricular activities, participate in competitions, & develop leadership qualities. Our goal is to help them dream big, work hard, and grow into responsible citizens who contribute to creating a better and peaceful world.

Dear Parents,

We urge you to dedicate time to truly engage with your child's journey—beyond helping with homework. Take an interest in the friendships they form, the challenges they face at school, on the bus, and in society. Be a friendly, supportive presence in their lives. We encourage you to attend all Parent-Teacher Meetings (PTMs) to build a stronger understanding of your child's progress and challenges, with the guidance of our dedicated and committed team of teachers.

"When parents and teachers unite, they create powerful forces for good. Together, they help shape the future, nurturing children to grow into compassionate, strong, and capable individuals. "

Sincerely
P. Kumar (Sameer)

About Principal

With over 21 years of experience in education, academic administration, and community development, I am a dedicated educator committed to shaping the future of our students. My career has been marked by a strong focus on achieving excellence through innovative policies, creative programming, and a culture that fosters continuous growth for both teachers and students.

I believe in the power of team building, multicultural awareness, leadership, & fostering gender sensitivity and racial appreciation. My goal is to inspire students by promoting hands-on learning and skill development, preparing them for success in a rapidly changing world. I am passionate about transforming lives and instilling values that go beyond the classroom.

Throughout my career, I have had the privilege of teaching in some of the most respected schools across Punjab, Chandigarh, and Haryana, affiliated with CISCE/ISC, IGCSE, and CBSE. I have a proven track record in nurturing both academic and athletic excellence, encouraging students to reach their highest potential.

As a National Sportsman in Athletics and a Black Belt in Martial Arts, I strongly believe in discipline, hard work, and perseverance, values I strive to impart to my students. My ultimate vision is to create a scientific, progressive, and empowering educational environment that enables every child to flourish.

EXTRACURRICULAR ACTIVITIES & HOUSE SYSTEM

At Gobind International Public School, we believe in providing every student with the opportunity to uncover their hidden talents and develop essential leadership qualities. To achieve this, we organize a variety of activities that cater to diverse interests. These activities are conducted by various clubs, including the English Literary Association, Hindi Literature Club, Punjab Literature Club, Computer Club, Nature Club, Social Studies Club, Science Club, Mathematics Club, and Sports Club.

To encourage healthy competition and team spirit, students and staff are divided into four houses, each represented by a distinct color. These houses are:

Tulip House (Blue)
Primula House (Red)

Aster House (Green)
Daffodil House (Yellow)

Various competitions and extracurricular activities are held throughout the year, fostering teamwork, creativity, and a sense of pride among students.

- A Transfer Certificate will be issued only after all dues are cleared.

THE FOUNDATION AGE (PRE-NURSERY)

This is a crucial time for children to begin their journey of discovery and learning. Our *Pre-Nursery curriculum* is thoughtfully designed to encourage active learning through exploration. We embrace diverse methods that allow each child to excel in their unique way.

Research shows that children learn most effectively when they are actively engaged. At Gobind International Public School, we ensure that learning is dynamic, interactive, and impactful, setting a strong foundation for a lifetime of curiosity, growth, and success.

CREATIVITY & CO-CURRICULAR ACTIVITIES:

At Gobind International Public School, we firmly believe that every student possesses innate creativity and potential, which can be unlocked through proper guidance and nurturing. Creative achievements instil confidence, build self-esteem, and foster a positive attitude. We encourage our students to actively participate in a wide range of co-curricular activities that contribute to their holistic development. These activities include:

DANCE/YOGA	MUSIC
DEBATE	PUBLIC SPEAKING
DRAMATICS	SINGING
PAINTING	THEATRE
CRAFTING/CLAY MODELLING	QUIZZING-GK, HEALTH, SCIENCE
GAMES & SPORTS	PHOTOGRAPHY
PODCAST/ BROADCASTING	MEDIA TRAINING

Through these creative & co-curricular activities, students not only enhance their talents but also develop important life skills such as teamwork, leadership, and self-discipline.

GAMES & SPORTS:

Sports and physical activities are an integral part of our school's co-curricular framework. At Gobind International Public School, we provide numerous opportunities for students to engage in both indoor and outdoor sports, fostering physical fitness, teamwork, and resilience. Our comprehensive Sports Academies offer specialized training in a variety of disciplines, including:

BADMINTON	KABADDI
FOOTBALL	VOLLEYBALL
BASKET BALL	CRICKET
KHO-KHO	TABLE TENNIS
SKATING	SHOOTING
AEROBICS	CHESS
BOXING	ARCHERY
ATHLETICS	

The playground serves as a space where students learn to become performers, achievers, decision-makers & leaders. It is here that they build confidence, develop resilience, and learn the value of teamwork and sportsmanship.

At Gobind International Public School, we believe in nurturing well-rounded individuals who excel not only academically but also in sports, arts, and creative expression.
